- Sec. 4: Monitoring & Surveillance relative to PFMs
- Sec. 5: Field Inspection & Photos
- Sec. 6: O&M programs relative to PFMs

# Part 12D Report – Preparation (cont).

- Sec. 7: Assessment of STID
- Sec. 8: Recommendations
- Sec. 9: Preferences
- Appendices:
  - Correspondence
  - I&M Data Plots
  - Inspection Notes & Photos
  - New Analyses (if any)

# Part 12D Report

## “Philosophical” Considerations

- How much redundancy with STID vs. “reference” to STID?
